CareerFocus

LIVE PRODUCTION · CREATIVE DIRECTION · CONTENT CREATION

LIVE
PRODUCTION

Passionate about creating seamless live experiences through technical execution, coordination, and real-time problem-solving — ensuring every moment runs smoothly.

CREATIVE
DIRECTION

Focused on developing concepts and storytelling that shape the overall experience — combining visuals, pacing, and ideas to create impactful, memorable content.

CONTENT
CREATION

Driven to produce engaging content that connects with audiences — from idea development to execution across video, social media, and digital platforms.

Core Skills

& CONTRIBUTIONS

LIVE PRODUCTION

Managing real-time broadcast environments — signal flow, switching, replay capture, and team coordination under pressure.

EVENT PRODUCTION

Planning and executing esports events end-to-end — concept, scheduling, logistics to on-site team management.

CREATIVE DIRECTION

Developing visual concepts and storytelling frameworks that shape the look, feel, and narrative arc of productions.

CONTENT CREATION

Producing engaging video and digital content — from ideation to post-production for gaming and esports audiences.

TEAM COORDINATION

Connecting creative, technical, and operational teams to stay aligned across complex multi-department productions.

REPLAY OPERATIONS

Capturing and delivering key in-game moments with precise timing to enhance storytelling during live matches.

Where I've Worked & Learned

2024

7 Months Internship

INVATE — BROADCAST SPECIALIST TEAM

Replay Operator & Broadcast Intern

Embedded within a professional broadcast specialist team for 7 months. Operated replay systems in real-time across live esports events, coordinated with directors, producers, and technical crew. Gained experience in fast-paced live environments with zero margin for error — delivering accurate, high-impact moments precisely.
